

State Water Resources Control Board **Division of Financial Assistance**

***Providing Financial Assistance for Projects that
Preserve, Enhance, and Restore California's
Water Resources***

<http://www.waterboards.ca.gov>

Presentation Topics

- Cleanup and Abatement Account (CAA)
- Drinking Water State Revolving Fund (DWSRF)
- Other funding programs
- How to apply

Cleanup and Abatement Account (CAA)

CAA can fund two types of projects:

1. Urgent Drinking Water Needs

2. Clean-up and Abatement of Waste

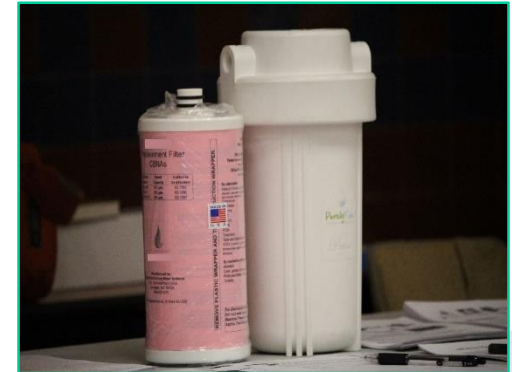

Examples of CAA Urgent Drinking Water Needs Projects

Bottled water

Point-of-use (POU) devices

Some infrastructure

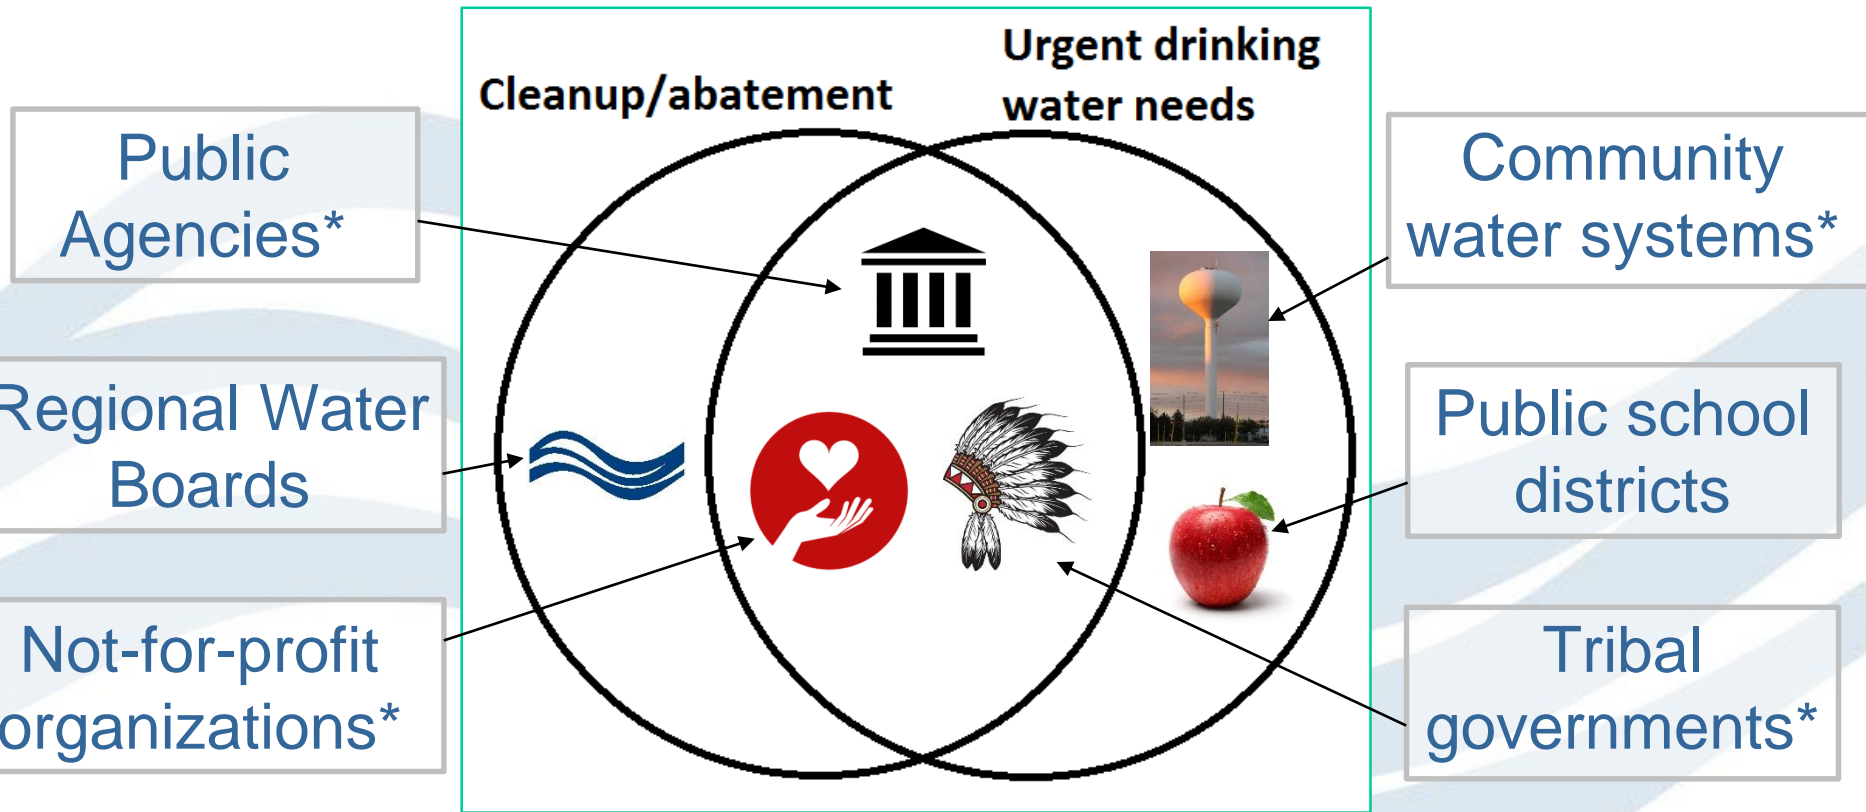

Hauled water

Examples of CAA Clean-up and Abatement of Waste Projects

- Must cleanup a waste or abate the effects of a waste on waters of the State
 - Post-fire erosion control
 - Groundwater cleanup/remediation
 - Oil/diesel spill cleanup/response efforts

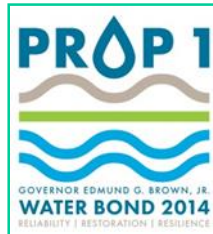

Who is eligible for CAA funding?

**Must serve a disadvantaged community*

Other funding programs

- **Wastewater**
 - Clean Water State Revolving Fund (CWSRF)
 - Small Community Wastewater
 - Water Recycling Funding Program
- **Groundwater Quality Funding**
 - Senate Bill 445 Site Cleanup Subaccount Program
- **Stormwater Grant Program**
- **Drinking Water**
 - Drinking Water State Revolving Fund (DWSRF)
 - Drinking Water for Public Schools Grant Program
- **Orphan Site Cleanup Fund**
- **Nonpoint Source (NPS) control Program Grants & Funding**

CWSRF Funded Project

- **Anderson Springs**

- Community was affected by the Valley Fires in 2015. Owners were unable to rebuild homes unless the community complied with current building and zoning codes.
- State awarded the community \$8 million in construction grant funds to build a sewage collection system which made it possible to start rebuilding homes

DWSRF Funded Project

- **Cobb Area County Water District (CWD)**

- State awarded \$1.8 million in construction grant funds to replace water mains and related appurtenances that were damaged by the 2015 Valley Fires
- In addition, \$2.5 million in planning funds were awarded to evaluate potential consolidation of multiple water systems in the Cobb Area that were also affected by the Valley Fires

How to apply

<https://faast.waterboards.ca.gov/>

- If your community has an economic hardship, technical assistance providers may be available to assist with electronic submittal
- FAAST tutorial available at:
<http://www.waterboards.ca.gov/videos/faast.shtml>
